

Be #FLOODREADY ALL YEAR ROUND

Flooding can happen anywhere in Canada, any time of the year. To be #FloodReady this spring, add these tasks to your seasonal list of home maintenance.

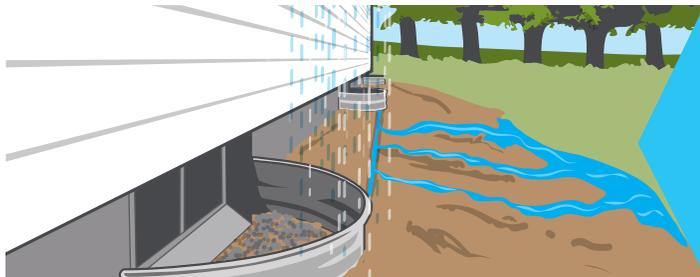

Spring Checklist

Clean eavestroughs and downspouts.

Clear debris from outdoor drains.

Make sure meltwater drains away from your foundation.

Install a rain barrel to collect runoff.

Don't wait for the water!

Take steps to protect your property.
