

Preparedness TIP

Make A Plan

Every household needs an Emergency Plan!

To complete your home Emergency Plan, you will need to think about the following:

- Safe exits from home and neighborhood
- Meeting places to reunite with family or roommates
- Designated person to pick up children should you be unavailable
- Contact persons close-by and out-of-town
- Special health needs
- Place for your pet to stay
- Risks in your region
- Location of your fire extinguisher, water valve, electrical box, gas valve and floor drain
